

2022 Taiwan KOM Gran Fondo Challenge Tour

The amazing riding experience combining Taiwan KOM and exclusive cycling in central Taiwan!

The Taiwan KOM Challenge Gran Fondo was created by cyclists, for cyclists. This brand new 3-day event celebrates not just the existing Taiwan KOM Challenge but also allows the participants to explore the region around Sun Moon Lake, together in a group, on roads less travelled, and to test themselves against the clock on timed sections within the routes on Day 2 and 3.

In bringing a European-style event to Taiwan, we hope to provide cyclists in Taiwan and from further afield what they have been waiting for: a true multi-day cycling experience in this beautiful land.
