- c. The downhill shuttle bus will depart on a fully-seated-and-go basis upon the traffic condition. ETA of each destination is for reference only. Please estimate reasonable time for your later trip/flight connections.
- d. There is a risk of falling rocks blocking the highway connecting Taipei, YiLan and Hualien, causing road closure and traffic control and thus effect the ETA.

20. Notice:

- (1) Riders register this event by their own will and fully acknowledged and agree with all event regulations and notices.
- (2) Falling rocks in Taroko Gorge are a hazard. Riders are requested to consider these risks before deciding whether to participate in this event. Riders will be required to sign a risk consent form before taking part in the event.
- (3) There is a certain degree of difficulty involved with this cycling event. Attendees should consider the risk of riding this event and evaluate his/her own health condition to decide if entry is appropriate. Any rider with any health issues, or history of health issues such as hypertension, cardiovascular disease, heart disease, diabetes, epilepsy and asthma, is not allowed to participate in this cycling race/event. The Organizer will not be responsible for any accident caused by these health issues.
- (4) In the mountain area, temperature and weather can change very fast. Riders are requested to prepare warm-keeping clothing at the finishing area. The rider backpack with post-event items (food/warm clothing) are required to be handed over at the start line, and these backpacks will be carried to the finish area by the Organizer.
- (5) Riders must hand over the day bag to the Organizer before the event start. The Organizer will convey these bags to the finish area, for riders to take back for immediate use when arriving at the finish point.
- (6) The endpoint at an altitude of 3275 meters is a high-altitude area prone to altitude sickness. Participants should be mindful of symptoms of high-altitude sickness.
- (7) In case of physical discomfort, please stop and seek for event staff assistance immediately.
- (8) The Organizer has the right to terminate or pause the event if there is deemed to be any risk to the rider's health and/or route safety. Riders and any other attendees must abide by this decision.
- (9) All riders are responsible for the effective and safe working condition of their bicycles. Any rider on a bicycle deemed unsafe by the Organizer will not be allowed to start the event.
- (10) All riders must ride standard road bikes fitted with a full braking system front and rear. Both front and rear lights MUST also be mounted for riding through tunnels and foggy areas. Jerseys cannot be sleeveless. Cycling helmets are mandatory during riding. It is necessary to use bicycle-specific water bottles, and please make sure to adjust the bottle cage properly to keep the water bottles securely in place.
- (11) Full traffic control is only provided to the leading group. Other participants must strictly adhere to traffic rules. Riders must ride on the right side of the road at ALL time. Riding against the flow of traffic on the left side is prohibited and will result in immediate disqualification.
- (12) Organizer provide spare wheels for front riders. Team cars are responsible for technical failures of their respective team riders far behind.
- (13) Team cars may prepare on-board radio for listening to the event messages. The event

frequency is 145.970MHz.

- (14) Riders who pass the finish line in Wuling must follow the following procedure: (Organizer-selected riders will take the doping test immediately), receive finisher medal, personal day bags, return their chip and receive the refund of their chip deposit money, and get lunch/certificate.
- (15) The award ceremonies will be held at Wuling. The top riders must participate in the photo shoot and media interview if requested.
- (16) The official transportation buses will be in Wuling Parking Lot. Team vehicles are not allowed to park at the Wuling Parking Lot. Team vehicles heading east down the mountain should park at the Hehuan Mountain Villa Parking Lot, while those heading west down the mountain should park at the Kunyang or Yuanfeng Parking Lot. After reaching the Wuling finish point, athletes should descend carefully to meet up with the team vehicles at the designated parking area.
- (17) Male competitors must not offer any sustained unsportsmanlike assistance or support to female competitors in a way that might affect the outcome of the race. This especially includes deliberate pacing by means of drafting and/or riding alongside. If any infringement is spotted by any race staff then both riders will be handed a DNF sanction. In the case of this behavior being reported to race officials by other competitors, the race Organizers reserve the right, once a judgement has been made, to impose the DNF penalty.
- (18) There will be 3 check points in this event. Riders that fail to pass the check points within the designated time limits will be disqualified from the race.
