

## 2025 King of Taipingshan

The Taipingshan National Forest Recreation Area has been famous for its diversified forest resource as well as its ample creature ecology. This cycling event, starting from Changbeihu and ending at Jancing Historic Trail, is a 45-km national-level scenic route with averaged 7% ascending winding to the finish at 1,972-meter altitude. Beautiful yet challenging, come to ride for the King of Taipingshan!
