

2026 Tour of East Taiwan Cycling Challenge

Since 2001, the 2026 "Tour of East Taiwan 365 Bicycle Challenge" has celebrated its 26th anniversary. The event is held every year around the "Earth Day", conveying the concept of caring for the environment and taking "participation is the brave, completion is the hero" as the core spirit.

The persistence of the 26th edition has witnessed the growth of cycling in Taiwan and left the most unforgettable memories of countless cyclists. The "2026 Tour of East Taiwan 365 Challenge" invites you to set off again, challenge yourself, and continue the legend.

11. When riding downhill, be sure to slow down and prohibit overtaking to be safe.
12. The road is marked with markings, which may be slippery in case of rain and cause riding danger, please do not ride on the markings for safety.
13. Please install headlights and taillights for long-distance bicycle riding, and please wear a helmet and appropriate clothing and pants during the whole journey.
14. Must use the specific bottle for bicycles, to prevent the water bottle from falling during the riding and affecting the safety of riders behind you, please be sure to check and adjust the water bottle cage before you go to keep the water bottle securely placed.
15. Before the activity, please be sure to check that the bicycle parts are assembled firmly and the tire pressure is appropriate, maintain the best condition of the bicycle to keep safety.
16. The chip and identification sticker are installed as follows:

17. Participants are required to bring their own inner tubes and simple maintenance tools for tire replacement and troubleshooting.
18. This activity is a non-competitive challenge activity, there is no traffic control in the activity, and some sections of the road are guided by staff and traffic control. Please be sure to follow the guidance of the staff and follow the traffic rules, and go to the side to ensure safe riding.
19. Bicycles are considered to be slow vehicles in traffic regulations, so if you do not obey the traffic signals, you will be ticketed. Violators will be found to be true and their results will be cancelled and they will be banned from registering for this event in the future.
20. This bicycle challenge and activity is difficult, and participants should pay attention to their physical health and consider the risks that may arise from participating in the race and activity. If you have high blood pressure, cardiovascular disease, heart disease, diabetes, epilepsy, asthma, etc., or other diseases that are not suitable for intense exercise, you are not allowed to participate in this challenge or activity (participants are requested to judge whether they have symptoms or not, and if they still insist on participating in the competition, the organizer will not be liable for any accidents caused by them).
21. It is inevitable that a participant will fall or collide during the challenge, and the organizer will not be liable for any compensation other than insurance for such accidents.
22. This activity is insured with 5 million yuan of public accident liability insurance in accordance with the relevant regulations of the Ministry of the Interior. The "Public Accident Liability Insurance" only covers claims for accidental injuries caused by the liability of the General Assembly. If participants have a history of various diseases, please assess their own safety and do not participate. If you consider that the insurance coverage is insufficient, please take out other valid personal insurance by yourself. For the coverage of "Public Accident Liability Insurance", please

refer to the "Appendix". The maximum claim amount of this activity insurance is the amount borne by the policy, and the organizer will not provide the claim amount in excess of the policy claim amount. If you cannot agree to the insurance coverage, items and amount in the insurance content, please apply for personal accident insurance by yourself. If the same insured person intensively applies to two companies (including life insurance) within three months for the same insurance period (including all or part of the overlapping insurance period) and the total amount of death and disability insurance reaches more than 15 million yuan, please apply for insurance by yourself.

23. According to the provisions of the Insurance Act, a life insurance or injury insurance policy taken out by a minor under the age of 15 for the insured cannot include a death benefit. Only the limit of medical insurance is 60,000 yuan.
24. The personal information filled in the registration is true, and all the consequences caused by the incorrect information will be borne by the participant. The Organizer collects, processes and uses the personal data of applicants in accordance with the provisions of the Personal Information Protection Act.
25. Please bring your health insurance card with you. Injured persons during the activity are required to seek medical attention on the same day and obtain a hospital diagnosis certificate and receipt for insurance claims.
26. The organizer has the right to broadcast the video, photos and results of this event around the world, and announce, exhibit and log in to the website and publications.
27. The staff of the conference has the right to suspend or suspend the activities of the participants according to their physical condition and road safety, and the participants shall not object.
28. In case of typhoon or other force majeure natural disasters or incidents, the Organizer has the right to decide whether to cancel or postpone or change to other alternative routes and methods for safety reasons. The Participant agrees that the Organizer will dispose of the situation in the best interest of the Participant. If the registration is cancelled due to this derivation, the organizer will refund the fee after deducting the relevant fees incurred.
29. All participants are asked to be environmentally friendly and tidy – no littering.
30. If there are any matters not covered in these regulations or any changes, they may be amended at any time.
